Grace Eyre has been supporting people with learning disabilities across the South East since 1898.

We also support people with mental health needs. We believe that people with learning disabilities and/or mental health needs have a role in society and have a unique contribution to make.

Our Promises:
1) Service users will lead the way
2) We will be financially sound
3) We will make a difference and measure the quality and impact of our work

Active Lives

Active Lives day service provides opportunities for people to develop their knowledge and skills through a range of activities based at Grace Eyre in Hove, as well as in local community venues.

We focus on supporting individuals to develop their skills for greater INDEPENDENCE, promoting their creativity through ART courses, engaging people in SPORTS activities to maintain good health and ensuring their WELLBEING through a varied range of enjoyable leisure based activities.

“I come here because I want to be involved and have a chance to express myself.”

Jonny

“I am doing work skills because I am interested in getting a job.”

Choices

Choices is our community outreach and supported living scheme. The team provides a highly personalised service aimed at meeting the individual needs and wishes of the person with learning disabilities and/or mental health needs.

Joseph has successfully moved into his studio flat. He has learned to use online banking with and without support to manage his money, saving and buying items for his new flat. Although he may ask for extra reassurance, he now has total control over his money.

Some of our service users meet in small groups from time to time. Either to go bowling, watch wrestling, go to the theatre or enjoy a meal out. All of our service users are welcome to join Grace Eyre Friendship, our Travel Buddy Scheme and even qualify to apply for a personal volunteer.

“Mike and Neil are two of the most kind, patient and dedicated professionals I have come across in a long time.”

Cyril

Our Shared Lives carers provide services to people with learning disabilities and/or mental health needs in the carer’s home. The scheme aims to match the personality, lifestyle, skills and knowledge of the carer to meet the needs and preferences of the person living with them.

We want to provide you and your carer with support and monitor the service to make sure you are both happy and safe. Shared Lives provides opportunities for:

- Long and short term accommodation
- Short breaks (often known as ‘Respite’)
- Day services
- Kinship

“We felt very much part of the Grace Eyre picture by the end of our training.”
